Welcome to Charters and East Restaurant!

Charters bar is a 176ft long Dutch grain barge which was lovingly converted into Charters bar and East restaurant by owner Paul Hook in the early 1990s.

Charters now boasts the largest beer garden in Peterborough, and in recent years has under gone much investment and development to maximise the potential of this picturesque venue.

The completion of the development of Charters beer garden is now finished, and we are proud to present a new bespoke outdoor stage and performance area for live bands, DJs, and entertainment. An entirely new outdoor bar, Pizza kitchen, and covered patio area, with the 'Top Deck' VIP space created as an upper deck level to the new industrial container bar.

We are proud to announce the 'Top Deck' is now available for private hire, and is the perfect setting for all of your Summer, and all year round out door party, and function requirements.

The Top Deck boasts V.I.P views across Charters beautiful beer garden, and is the prime viewing spot if you are booking on a weekend day that plays host to one of our many family friendly Summer events in the garden.

Top Deck Additional Booking Information

Top Deck capacity details:

Standing room only: 150 person maximum capacity

Seated capacity: 80 persons, including fixed perimeter seating, and additional chairs that can be arranged as per your personal specifications.

Hire fees are inclusive of 1 Charters team member allocated to host your booking. Your host will take care of producing and replenishing your pre-purchased drink packages, and will maintain the top deck in a clean, tidy condition during your reservation.

Please note we will not be in a position to prioritise serving your guests at any of our public bars, particularly during our peak trading Saturday or Sunday sessions. It is therefore highly recommended that you take full advantage of our Top Deck pre-ordered drink packages.

The Top Deck is complete with its own speakers, that will be playing music from the main source, as per what is playing in the garden on the specific day of your booking. The volume for the Top Deck is independent from the rest of the premises, so your party host will happily set the volume as per your requirements.

Please note due to the venues noise management compliance, the Top Deck sound system volume will be required to be set to 'low' from 10.00pm onwards where applicable to an evening booking.

Any Birthday party bookings for under 21s will have an additional *compulsory charge of £80 for 1 x SIA registered door person.

Charters is a family friendly venue, and as such your little ones are very welcome, however they must be kept under the full supervision of a responsible adult (ideally their parents or guardians) for the duration of their visit to the premises. We ask that guests at your party keep their children with them on the Top Deck as opposed to allowing them to freely roam the beer garden below unsupervised. Please also note that no persons under the age of 18 are permitted to consume alcohol on the premises.

Wedding receptions and parties are very welcome. Please note the arrangements for any wedding parties are considered very special, and are to be booked via the General Manager of the venue only.

Catering on the Top Deck

We highly recommend East buffets for groups of 30 or more:
Please see full Buffet Menu overleaf.

We highly recommend pre-ordered Pizza/Chips for any size private hire party:
Please see full Pizza Menu overleaf.

Outside catering is permitted, however this will come with a surcharge fee of £2.50 per guest. All arrangements for any outside caterers (delivery time, set up instructions, table requirements) will need to be communicated to the venue management.

We will require a £5 per person deposit for any catering that you pre-book, and the remainder of any food bill is to be paid, in full when confirming your booking details up to 3 weeks prior to your booking date. This is to ensure the smooth running of your event, undisturbed. This will also alleviate the need for us to attempt to settle any outstanding payments once your event is underway.
